Where are We Now, and Where Do We Go From Here?

A library means different things to different people. We have heard what the library of our future should be from some in our community... Have you had a chance to contribute your thoughts and ideas?

Please join us at this special community forum where we hope to further define your needs for library services, facilities, collections and programs. After this forum, we can begin the process of evaluating our options to achieve Sunnyvale's Library of the Future.

If you cannot attend, we invite your comments by using the comment form on the Web at libraryofthefuture.inSunnyvale.com.

Complimentary dinner will be served at 5:30 p.m for participants who RSVP by Friday, September 15 to Library Administration by calling (408) 730-7314. Activities for children will be provided during the meeting.
